

City of Bryan FREE "Green Living" Workshops Registration Form

All workshops will be held at the Bryan Public Library on the 2nd Floor
201 E. 26th Street, Bryan TX
All workshops will run from 7PM to 8PM
Registration required – Limit of 40 participants per class

Please check the workshop(s) you are registering for:

_____ **August 24th - Rainwater Harvesting 101**

Rain barrels are a great way to capture the pure rain water that garden plants prefer, free of salts and other additives found in tap water. This workshop is designed to educate participants on the benefits of rainwater harvesting and the how-to of creating and using a rain barrel.

_____ **September 5th – Worm Composting 101**

Have you always wanted to compost, but do not have a backyard? Do you want to produce your own "Black Gold?" This workshop will help you get on the road to making both realistic, and in your own home! Come play in the dirt and get a few next pets! (worms will be available for sale)

_____ **October 5th – Greening Your Home 101**

Learn the simple ways to make your home energy and water efficient while eliminating toxins and drastically improving indoor air quality! The workshop will cover a DIY cleaning product demo, lecture, and take home supplies.

_____ **November 5th – Home Energy Efficiency 101**

Want to create an energy efficient home? Experts presenting this workshop will give you the know-how to conduct a home energy audit, read your utility bill and cash in on BTU's amazing rebates and loans!

_____ **December 1st – Green Living 101**

This is a popular time to rethink old habits, so why not rethink some of those habits you have that aren't so good for the environment? This workshop will present reasonably simple and local things you can do to have less of an impact and live greener in 2010.
